ECW FEEDING THE HUNGRY

The Episcopal Church Women at St. Dunstan have successfully collaborated with St. Paul's Missionary Baptist Church to provide volunteers for their Food Pantry Ministry.

The pantry is open once a month on the last Thursday for distribution and the Wednesday prior for sorting incoming can goods and frozen foods.

On the day of distribution, a

meal is prepared with donated items and served to those who have a need for food. An interview process determines their food preferences, cooking ability and allergies. They are served a meal while their food bags are prepared. Each person in need is asked if they have a prayer request. If so, they are accompanied by volunteers who will pray with them. Volunteers then carry the food to their vehicles.

This month, the work day is Wednesday, April 24th from 10AM to noon. Distribution day is Thursday, April 25th from 10AM until distribution is completed.

Volunteers are asked to check in on Wednesday for their job assignments. Tasks include sorting, interviewing, "social butterflies", prayer volunteers and other tasks as needed. For more information, check the handout on the bulletin board †

CHURCH PICNIC SCHEDULED

St. Dunstan Picnic—Note the Date Change

For the last several years, St. Dunstan has been celebrating as a church family on the July 4th weekend. Due to increasingly warmer weather, the Vestry has decided to move the picnic to an earlier date for a more tolerable temperature range! This year, the church picnic will be held on **May 7th, 2023** at the Mineola Civic Center Pavilion, 1150 N Newsom (in the Mineola park, directly behind Brookshire's).

The church will provide brisket and fried chicken. Sign up for a side, salad or dessert. There is a sign up sheet on the bulletin board that allows for a number of items in each category. If that category is filled, please select any other open spot. It is also requested that you sign up if you plan to attend so we can have plenty of brisket and chicken on hand.

We hope to see you there!

BLOOD DRIVE COMING IN JUNE

Every 2 seconds in the United States, someone needs blood, that's a staggering statistic. Regular donors help to keep the supply going in Northeast Texas.

With this in mind, St. Dunstan will once again host a Community Blood Drive on Saturday, June 10. Working with Lanie of Carter Blood Care will be Pete Smith with St. Dunstan's. The drive will be held from 10AM to 3PM at St. Dunstan in the Fellowship Hall.

On the day of the drive, health care workers will be gloved and will wipe down surfaces between each donor.

St. Dunstan will open the doors to include community involvement thereby helping to reduce the blood shortage in the area. Encourage friends and neighbors to participate and be a part of the drive.

Each summer and during peak holiday times, available blood unit supply dips very low, making it difficult to respond to increased needs during these times.

Carter Blood Care is an independent, community blood center providing transfusion resources to more than 180 medical facilities in 50-plus counties of North, Central and East Texas. Carter Blood Care is a non-profit 501(c)(3) organization.
